

STRENGTHENING WORKPLACE SAFETY– OMNI UNITED TEAMED UP WITH ITS PARTNER TO PROMOTE AND STRENGTHEN WORKPLACE SAFETY.

Singapore, 25 September 2013 – Omni United has teamed up with its partner to strengthen workplace safety through the promotion of workplace safety awareness among partner’s employees. In support of the “Safety Month”, an inaugural ceremonial event was carried out on 3 September 2013 before representatives from Omni United were invited for an inspection tour of the facilities.

Inset: Representatives from Omni United and its partner.

During the “Safety Month”, employees had the opportunity to understand Omni United’s vision as a company, its philosophy and commitment on workplace safety with its partners and cultural dynamics. Through this campaign, employees are able to increase their workplace safety knowledge, safety awareness, reduce risks through the provision of safety boots, and improve safety measures to safeguard their well-being, as well as the well-being of their peers and colleagues.

ABOUT OMNI UNITED / RADAR TIRES

Radar Tires is the flagship tire brand of Omni United (Singapore) – an established global tire designer and manufacturer. It offers a complete range of passenger car, SUV, truck, bus, and farm tires that are marketed under its own four brand names: Radar, Goodride, Roadlux and Corsa. Besides designing and manufacturing tires, Omni provides unparalleled customer service and its state-of-the-art logistics and supply chain management systems, which are the cornerstones of their success.

Omni was founded in 2003 by Singapore-based entrepreneur G. S. Sareen. From its headquarters in Singapore, Omni provides the full spectrum of supply, distribution and sales services to over 80 countries around the world. The USA, Omni's largest market, accounts for 70% of the company's business. Omni has 10 offices throughout the USA, including Florida, California, Michigan and Colorado. Other important fast growing markets are the United Kingdom, Spain, Germany, Middle East, South East Asia, Australia and Japan.

Omni has been rated as the fastest growing company in Singapore. A major percentage of Omni's products (including Radar Tires) are designed in Singapore and manufactured in modern, high-tech, state-of-the-art production facilities in Indonesia, Sri Lanka, India and China. All products are compliant with all the most stringent USA and EU tire regulations.
